III O <

This screenshot shows the registration screen of the FESTLEVER app. The status bar at the top displays the time 10:53, 4G+ connectivity, and 80% battery. The app's logo, FESTLEVER, is prominently displayed. Below the logo, there are three input fields for registration: Email (filled with 'matthias.schneglberger@gmx.at'), Username (filled with 'mschneglberger17'), and Password (masked with '....'). A red 'REGISTER' button is positioned below the inputs. A link 'Zum Anmelden hier klicken' (Click here to log in) is located below the button. At the bottom, a dark grey error message box states 'Registrieren fehlgeschlagen - Benutzername existiert bereits' (Registration failed - Username already exists). The Android navigation bar at the very bottom shows the back, home, and recent apps icons.

III O <

This screenshot shows the registration screen of the FESTLEVER app. The status bar at the top displays the time 10:43, 4G+ connectivity, and 85% battery. The app's logo, FESTLEVER, is prominently displayed. Below the logo, there are three empty input fields for registration: Email, Username, and Password. A red 'REGISTER' button is positioned below the inputs. A link 'Zum Anmelden hier klicken' (Click here to log in) is located below the button. The Android navigation bar at the very bottom shows the back, home, and recent apps icons.

Passwort vergessen

- 5 Minuten Zeit
- Code per Email zugesendet
- 3 Versuche

The image shows a mobile application interface for password recovery. At the top, the 'FESTLEVER' logo is displayed in red and grey. Below the logo is a status bar showing the time 10:44, signal strength, and battery level at 85%. The main screen features a blurred background of a crowd. A white input field labeled 'E-Mail Adresse' is at the top, followed by a red button labeled 'VERIFIZIERUNGSCODE SENDEN'. In the center, a large red circle contains the text '05:00', indicating a 5-minute timer. Below this is another white input field labeled 'Verifizierungscode'. At the bottom, there are two red buttons: 'ERNEUT SENDEN' and 'AKZEPTIEREN'. The very bottom of the screen shows the standard Android navigation bar with three icons: a square, a circle, and a triangle.

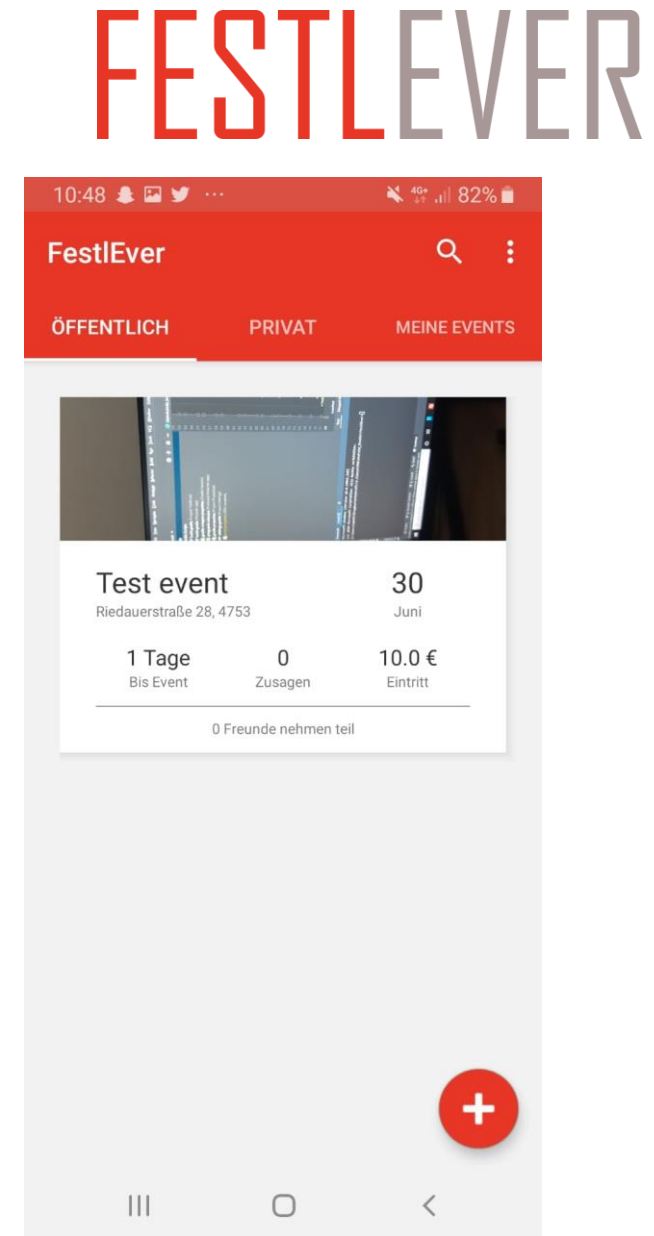

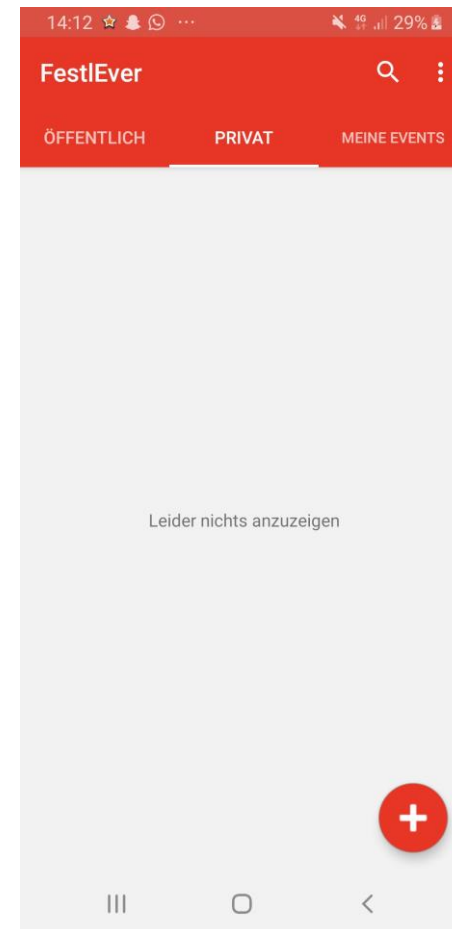

Neues Event / Event bearbeiten

- Adresse per LocationIQ umgewandelt in Long/Lat
- Datum per DatePicker
- Eigene Bilder als Titelbild

The screenshot shows the FestLEVER mobile app interface for creating or editing an event. The app has a red header bar with the 'FestLEVER' logo. Below the header, there is a status bar showing the time (10:49), battery level (82%), and signal strength. The main form consists of several input fields: a toggle for 'Öffentlich' (Public) and 'Privat' (Private), a 'Titel' (Title) field, an 'Adresse' (Address) field, an 'Eintritt' (Entry) field, a 'Datum' (Date) field, a 'BILD HOCHLADEN ...' (Upload Image ...) button, and a 'Beschreibung' (Description) text area. At the bottom, there is a red button labeled 'ERSTELLEN' (Create) and a navigation bar with three icons: a list icon, a home icon, and a back icon.
